

# Know Before You Go!

To attend the 40th Annual Eastern States Conference for Pharmacy Residents and Preceptors, please review the login information below. You are strongly encouraged to test out your internet connection and access to the site before the conference begins. While there will be live, technical support, it is best to find and correct any issues prior to the start time so you do not miss any of the conference content. You will be able to login to the site when you receive this email. For technical support, email [easternstates2022@commpartners.com](mailto:easternstates2022@commpartners.com). For conference information, click here <https://www.easternstates.org/general/?type=contact>

## YOU MUST LOGIN TO VIEW SESSIONS

1. Login with the email you registered for the event and the password Residency22.

2. There are several options to view the agenda. You may access the agenda from the Agenda images from the home page or under the Agenda menu bar.

3. Once you locate your session, click the title of the session to expand the details. After you click the watch session button you will enter the session and see the details and relevant content. The contents tab is where you can locate the live event. You will only be able to join the session 5 minutes prior to scheduled start time.

The image consists of three vertically stacked screenshots illustrating the process of accessing a session. Each screenshot is annotated with a numbered callout and a red arrow pointing to a specific element.

**1** Click to Expand

The first screenshot shows a list of sessions under the heading "Platform Presentation Session 1". A red arrow points to the first item, "1 - Crystal A - Ambulatory Care".

**2** Click Watch Session

The second screenshot shows the expanded details for "1 - Crystal A - Ambulatory Care". A blue button labeled "WATCH SESSION" is highlighted. Below it is an "Overview" section with a table of speakers and topics.

Time	Speaker	Topic
12:15 PM	Nicole Hughes Geisinger Clinic Northeast	Primary Care Ph Ambulatory Car
12:30 PM	Samantha Matchock Geisinger Clinic West	Comparison of E Dose Escalation
12:45 PM	Steven Yost Conemaugh Memorial Medical Center	Evaluation of Ph A1C Values

**3** Contents tab

The third screenshot shows the "Contents" tab for the session. A red arrow points to the "Contents (1)" tab. The main content area shows a calendar entry for "1 - Crystal A - Ambulatory Care" on 05/16/2022 at 12:15 PM (EDT) for 120 minutes. A notification box states: "This event should start on 05/16/2022 at 12:15 PM (EDT). Meeting Id #: 92862368034". Below the notification are three buttons: "TEST YOUR CONNECTION", "ADD TO CALENDAR", and "MARK AS COMPLETED".

**You will need to return to the agenda page to access your next session. Close the previous window by clicking the X in the upper right-hand corner. Repeat this process for any additional session you would like to view.**
